

# New benefits for *Childminding Ireland* members

Dear Member

*Childminding Ireland* working with Kidd Insurances would like to take this opportunity to introduce a new service which is being offered to our members. In the current economic climate we hope this new scheme will help to save on current costs and help each member to get the most out of what they are spending each month on a variety of insurance policies. This new scheme has been designed to facilitate a complete financial assessment of all insurance (including health), savings and pension arrangements you may already have.

The areas of interest are as follows:

- Mortgage Protection
- Family Protection
- Protecting your Income
- Health Insurance – Cost Less
- Your Retirement – PRSA's
- Capital Protected Investments

*Childminding Ireland* is pleased that this service exists but availing of this service is voluntary and totally at your discretion.

Aidan Kerin, Kidd Insurances will be in contact with you directly to arrange a visit at a time of day that suits you. Alternatively you may contact him on 01-2079400 or 086-2546531. Importantly all information and details provided by you to Kidd Insurances will be treated with the strictest confidence and not shared with any other party,

Yours Sincerely
