

PL 66 - INFLATABLE CASTLES/BOUNCERS

It is a condition precedent to the liability of the Company that:

- (a) All sides including entrance and exit points and the back of the inflatable are constantly marshalled.
- (b) No shoes are worn by anyone using the inflatable.
- (c) The inflatable is not positioned within thirty metres of moving traffic.
- (d) No more than one child per 1.5 square metres of bouncing space is allowed.
- (e) The inflatable is securely tied down.

Subject otherwise to the Terms, Conditions and Exclusions of the Policy.
